

A functional work of art for those who appreciate artistic design in their home. The ALCANTARA SIDEBOARD from the PAESAGGI collection is a tribute to the experience refined elegance with a structure crafted in lacquered, brushed ash wood over premium plywood, showcasing a warm, sophisticated grain. Four extra-clear glass doors—enhanced by the striking, volcanic-inspired Etna finish—create a captivating play of light and texture. Inside, adjustable shelves in matching extra-clear glass offer airy, customizable display space. Antiqued brass door profiles and metal feet complete the piece with a touch of timeless luxury and understated glamour.
