

A key feature of a remarkable dining room, the ATELIER sideboard is crafted entirely from walnut wood, complemented by leather accents. The top can also be customized with a marble finish, while the doors are available in either ribbed bronze glass or leather coverings. This sideboard boasts a dual purpose: it serves as both an elegant storage solution and a stylish surface for showcasing decorative items. Inside, it offers spacious shelves that are perfect for storing plates, cutlery, and other dining essentials. Customization options are available.
