

DUNE LOW TABLES

Drawing inspiration from the graceful contours of the Arabian desert dunes, the DUNE LOW TABLE collection stands as an epitome of timeless elegance within the ELIE SAAB Maison offerings. Its foundation is a masterpiece, meticulously crafted by Italy's finest artisans: a flowing wave meticulously shaped from curved brass plates, crowned with a top surface in luxurious wood, stone, marble or smoked glaas. This coffee table seamlessly blends artistic craftsmanship and refined design, making it an iconic addition to any sophisticated interior.
