

VILLASIMIUS coffee tables

MC Lab - 2025

DESCRIPTION

Villasimius is a collection of coffee tables that plays with volumes and textures to create a refined, contemporary aesthetic. Available in two versions, both feature a cylindrical base but differ in character—one with a clean, compact design, the other enhanced by a vertically grooved surface that adds depth and detail.

The round top, offered in marble, glass, or wood, appears to float above the base, bringing visual lightness and a sense of perfect balance.

Ideal on their own or as a pair, Villasimius tables bring understated elegance and versatile charm to any space.

DESCRIZIONE

Villasimius è una collezione di tavolini che gioca con i volumi e le texture per dare vita a un'estetica raffinata e contemporanea.

Due le versioni disponibili, accomunate dalla base cilindrica ma differenziate nei dettagli: una più essenziale e compatta, l'altra più ricercata grazie alla lavorazione verticale effetto "righe".

Il top rotondo, proposto in marmo, vetro o legno, sembra sospeso sopra la struttura, donando leggerezza visiva e un senso di equilibrio formale.

Ideali da soli o in coppia, i tavolini Villasimius arricchiscono lo spazio con una presenza elegante, discreta, perfettamente modulabile.
