

In RIBAN sofa, the search for the contemporary is revealed through a play of surfaces, twists and turns: the outside becomes inside; the backrest becomes a seat; and materials alternate in a way that is as organic as it is logical. The RIBAN sofa comes with a leather structure. The seat and back cushions are available in contrasting fabric. The button linking the cushions to the structure is a contemporary variant of a traditional decorative element. Available in two and three seater versions.

## CUSTOMIZATION

Metal

Fabric

Leather

*Luxury Living. Masterfully Curated.*
